

Matt Roper – Fresh on the scene at one of London’s most exclusive clubs

Having the best job in London is how Matt Roper, Club Manager at The Roof Gardens in Kensington, sees his role. In just over six months Matt has overseen an extremely busy summer at the club whilst creating new themed nights like The Globe Girls Joiner Parties, which will bring even more sparkle to the upcoming festive season.

With passion and talent, Matt brings the x-factor to The Roof Gardens’ Club. Born in the UK, he started working as a model in the early 1990’s and even had a hit single before embarking upon a stint at 20th Century Fox on the events team. Over the years he has gained considerable industry experience having held a variety of roles within the clubbing industry. Matt has worked with several successful London venues such as the Hammersmith Palais, the O2 and Heaven, all preparing him for the coveted role at The Roof Gardens.

With a desire to spice up London’s club scene, Matt has thrown himself into a number of exciting projects that are to be unveiled at The Roof Gardens in the coming months...watch this space!

Commenting on his time so far at The Roof Gardens, Matt said:

‘We strive to be the best and set ourselves apart within a competitive club scene. Here at The Roof Gardens we offer a totally different experience, we are fortunate that we are uniquely located six floors above Kensington High Street and surrounded by three beautiful gardens, but the club itself is a fantastic venue and our first class Virgin service mixed with the great DJ’s means we offer our guests an exceptional experience.

I believe that our exciting and innovative upcoming projects will continue to raise the bar amongst the Capital’s leading clubs.”

The Roof Gardens offers London's party goers three beautifully themed gardens to wander, dance and party in with live music and barbecues, as well as the club inside where the resident DJ's keep the party going until 3am. The Champagne bar located in the Spanish garden is always a hive of activity as party goers can enjoy the Spanish band whilst sipping away under the stars. It really is the only club venue to visit on a Friday and Saturday night!
