

## NECKER ISLAND - ROOM CATEGORIES

Necker Island, Sir Richard Branson's private paradise, is situated in the British Virgin Islands, a stunning and unspoilt area of the Caribbean. At 74 acres, the island sits in turquoise waters surrounded by coral reefs and fringed with beautiful white sandy beaches. Necker Island is the perfect idyllic hideaway to escape the stresses and strains of daily life. Hire the island privately for up to 28 guests, or enjoy the Necker Island experience 'house party' style during Celebration Weeks, when individual rooms can be booked by singles or couples.
