

NECKER ISLAND

SIR RICHARD BRANSON'S PRIVATE ISLAND

ALL YOUR SPA TREATMENTS FOR US \$1,700 PER NIGHT

When you book Necker Island on an exclusive use basis all your treatments in the Bali Leha Spa can be included for a fixed daily supplement of US \$1,700.

Leha Leha is the Balinese way of describing peace, relaxation and daydreaming, and there is no better place to do this than at the Necker Island Spa. Bali Leha is built into a cliff overlooking the sea just a short walk from the Great House. Enjoy the gentle sounds of the sea while you experience our fabulous range of treatments. We also offer Pilates classes which are included in the above rate.

When is the offer available?

For arrivals until 30th September, 2010

How does it work?

The \$1,700 supplement is a daily rate and can be applied to any or all days of your stay. The rate will be calculated pro rata on arrival and departure days depending on the amount of time spent on island.

There are two spa therapists on Necker who will work with your party on a treatment schedule to make sure everyone is catered for.

When you're on Necker Island (and not in the spa)...

- Try kayaking, water skiing, snorkelling or even learn how to kite surf. We have a dedicated watersports team who can help get you started
- Unwind in the Great House infinity pool and sip on a cocktail at the swim up bar or enjoy the superb ocean views from the Jacuzzi
- Take a stroll around the 74 acre island. There are 200 flamingos to spot as well as a host of other birds and tortoises, plus the views out to sea are truly breathtaking - from any angle!
- Laze the days away with a good book in one of the many hammocks
