

INFORMATION FOR GUESTS

The Lodge is a stunning nine bedroom chalet accommodating a total of 18 guests in Verbier, Switzerland, one of the Alps' most exclusive resorts. Verbier is not only the ideal choice for a luxury ski holiday - it is also the perfect alpine summer escape.

General Manager Hannah (with the help of her eight full-time staff), will ensure every need is catered for by offering the highest level of service and attention to detail. The Lodge itself provides a unique and fun setting: swim in the indoor pool, be pampered in the spa, or just relax after a day on the mountain whilst enjoying a wide selection of tailored menus and fine wines. Whether you need us to entertain the kids or fix a perfect gin and tonic, leave it to us!

Location: The Lodge is perched high in the Swiss Alps in a forested area just a five minute walk from the town of Verbier, and only 250m from the main lift station. Verbier is 51 miles, or 82 kilometres east of Geneva as the crow flies, but the mountains and Lake Geneva tend to get in the way if you're driving! Head due west from Verbier and you eventually reach Lyon in France. Zurich is to the northeast, and Milan is to the southeast.

Guest Accommodation: The Lodge can accommodate up to 18 adults in 9 bedrooms and up to 6 children and young adults in a specially designed bunkroom. Rates during the summer season are quoted per room per night based on two adults sharing. Exclusive use rates are quoted per night for the whole Lodge based on 18 guests sharing 9 rooms. Children and young adults staying in their parents' rooms in the summer season are charged respectively CHF 75 and CHF 120 per person per night. An alternative is to book The Lodge's bunkroom for CHF 450 per night which sleeps a maximum of six children.

Facilities and activities at The Lodge: When the weather is glorious it's more than likely you'll be spending plenty of time on the mountain, but when you get back to The Lodge there's still plenty to do! Pull off those hiking boots and relax in the lounge with a cool drink curled up on a comfy sofa. Or if your muscles ache, take a dip in the indoor heated pool, or warm yourself up in the indoor or outdoor Jacuzzis. Later on, tuck in to some of the exquisite dishes from our kitchen – order what you want, or let us surprise you! You can even watch our chefs at work and pick up some tips while you try a few glasses of red or white from our wine cellar.

The Lodge also has a fully equipped gym, a steam room and a party area. You can shoot some pool or dance the night away all underneath a twinkling disco ball. If you want to take it easy we can pop on a film for you and your friends or family on the large plasma screen (we've got a great selection of DVDs) while you enjoy a few drinks from the bar.

Activities on the mountain: Verbier continues to buzz in summer, and it's a fantastic destination if you love the great outdoors. The town hosts several annual festivals including a beach volleyball tournament and a series of classical music concerts. There are several world-renowned golf courses, unrivalled paragliding as well as opportunities for mountain biking, hiking, rock climbing, fishing, rafting, quadbiking...we could go on! We can also arrange both individual and group tennis lessons. We have a full list of activities available on request.

If that weren't enough, Verbier is home to a well-equipped sports centre, with large indoor and outdoor swimming pools, squash and tennis facilities and a professional covered ice rink.

Dining: The food served at The Lodge is one of the highlights of your stay, and we serve a mix of Swiss and international cuisine. Dining can be as formal or informal as you wish, from full four-course gourmet meals to healthy meals with the children. You can dine al fresco whilst enjoying the fresh mountain air on the terrace where there is a BBQ and bar area. Meals can be themed, traditional or a mix! Ask us for some ideas or give us yours. In summer meals are served communally, giving you a chance to share what you've been up to during the day with other guests. We're happy to arrange private dinners for a special occasion of course – just ask us about which rooms would work best for this. We stock a great range of international wines, top quality spirits, international beers and excellent house Champagne.

Our rates include breakfast, lunch, afternoon tea and dinner. If you would like us to ship in something special, simply give us plenty of notice – there is generally no extra charge unless the item is particularly rare or extra shipping is involved. All guests are encouraged to treat The Lodge like their own home and are welcome to help themselves to drinks they want at any time.

Smoking – If your idea of a perfect digestif post-dinner is a cheeky cigarette then you're welcome to use the spacious deck area outside or the balcony off your room (should it have one). Just no butts inside please as The Lodge has a 100% no-smoking policy indoors.

Spa treatment room: After an active day on the mountain, there's a good chance your muscles will be aching after all that effort. Relax and unwind with a treatment in the Spa in the capable hands of our resident beauty therapist; ask for a detailed list of all our treatments. Treatments are not included in the normal rates.

Children - The Lodge is a great place for a family holiday as we have plenty of things for children to do. Children of all ages will be invited to take part in The Lodge Rangers. We have a set welcome pack and a range of great activities available on request, including children's DVDs, toys, an Xbox, books, games, and treasure hunts in the evenings if they are not too tired after a long day out. If you have a rather large group of Rangers or if you'd just prefer it, we can arrange a set programme with some advance notice - just let us know the ages and interests of the Rangers concerned, and we'll come up with something to keep them entertained!

The Lodge has a kid's bunkroom which can accommodate six children. We can also arrange babysitting for an extra charge; just give us at least 24 hours notice. Please note that during peak weeks and school holidays, we may need more notice to ensure that we can get hold of babysitters. Special food and beverages or simple snacks and light meals can be prepared.
