the roof gardens 

Set amidst 1.5 acres of themed gardens on the 6th and 7th floor of a listed building high above London's bustling High Street Kensington, The Roof Gardens is a space like no other. For over 70 years this unique venue has played host to more events, parties and weddings than we could possibly count. Whether you come to The Roof Gardens for an event, for a night at the Private Members Club, for a meal in Babylon Restaurant or just for a wander around the gardens, we guarantee you'll need more than just one visit!
