

Volunteering on Safari at Ulusaba Private Game Reserve

Ulusaba Private Game Reserve is pleased to offer guests the unique opportunity to integrate a volunteering experience with their safari holiday.

We'll work with you to create a bespoke itinerary that allows you to participate in hands-on projects within the local communities, based around your own skills and interests. Not only will this create an opportunity to experience the local culture it'll provide a way in which you can perhaps give a little something back to others.

More about Pride 'n Purpose:

This non-profit charity was originally established by members of the Ulusaba family in 2003. All running costs are covered by Virgin Unite, the Virgin Group's non-profit foundation and Virgin Limited Edition. This means that 100% of all guest donations go directly towards our projects.

Our philosophy is that people are most effectively helped if they are empowered to help themselves; the emphasis is on supporting sustainable initiatives focusing on:

- Access to clean and safe water
- Education at all levels with a focus on pre-school and primary school
- Extra curricular activities for children outside the school environment
- Support for orphans and vulnerable children
- Support for local entrepreneurs

Pride 'n Purpose completed projects:

- Installed FunPumps at a local school to ensure a clean water supply is available
- Installed Jojo tanks and rain water collection systems in homes and at surrounding schools
- Built three new crèches with over 150 children enrolled
- New library and computer lab completed
- Sponsored an Art Club and Conservation lessons for local children in the reserve with trackers from Ulusaba.
- Helped over 50 children with school fees and uniforms to covering monthly food costs as well as housing maintenance, clothing, help with homework and medical support when needed
